Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Piedmont Community College South Campus Renovations project in Fiscal Year 2027. The entity to receive funding for this project is Piedmont Community College, located at 1715 College Drive, Roxboro NC, 27574. The funding would be used to assist in renovating and repurposing a 91,000-squarefoot industrial facility into the new Piedmont Community College South Campus, which will serve as workforce training center. The project is an appropriate use of taxpayer funds because it will expand access to workforce training in high-demand areas such as advanced manufacturing and skilled trades, greatly benefitting local rural communities.

The project has a federal nexus because the funding provided is for purposes authorized under 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Brad Knott
Member of Congress
